

WARRANTY CONDITIONS

- The warranty is only valid if a completed installation report is submitted with the claim;
- The AirIQ is connected to the mains in accordance with all laws and regulations by a licenced, certified electrician;
- A warranty period of two (2) years applies to the AirIQ if it is used in a private sauna;
- A warranty period of one (1) year applies to the AirIQ if it is used in a public sauna.

The Saunum warranty starts from the date of purchase and includes all manufacturer-provided parts of the control unit. The warranty covers faults from the manufacturing and materials only. Under this warranty, Saunum will provide replacement parts to the buyer, but only after the faulty parts have been returned to the manufacturer or reseller. Replacement of any part in the control unit by Saunum does not extend the original warranty period.

The electrical device should only be connected to mains in accordance with all

laws and regulations by a licenced, certified electrician.

The warranty applies only to the first installation of the product and to the original purchaser.

The warranty does not cover:

- Routine maintenance and cleaning of the device, and replacement of the components due to normal wear and tear
- Risks arising from transport
- Damage resulting from the misuse of the AirIQ
- Damage resulting from the improper installation of the AirIQ
- Adaptation or modification of the AirIQ for any purpose other than that indicated in the instructions for use
- Repairs to the AirIQ not carried out by Saunum's recommended repair and maintenance partners
- Accidents, lightning, water, fire, improper ventilation, or any other factor beyond the control of Saunum
